

Activate your Outhaul

Step One

Parts: Harken 16mm air block

Part number: 91511

Retail price: £13.00

Key tips: A bowline here would be more affective to secure the air block

Step Two

Parts: Harken 16mm air block and hook

Part number: 91516

Retail price: £18.00

Key tips: The outhaul primary control line should be 1.5 metres in length

Step Three

Parts: Harken 16mm air block

Part number: 91511

Retail price: £13.00

Key tips: Again a bowline here would be more affective to secure the air block

Step Four

Key tips: The outhaul control line 2 should be 6 metres in length

Step Five

Key tip: Bowlines are the strongest way of making a loop

Step Six

Key tip: To secure the outhaul to the boom you can use line or elastic
